You should now have 4 sections, with 10 sts each. To make the pattern easier to read, the pattern will now divide instructions by section. The flower pattern is

staggered throughout the shawl, i.e., in sections 1 & 3 you will work all 8 rows of Flower Pattern, while working sections 2 & 4 in knit. When flower pattern is complete in sections 1 & 3, you will work the flower pattern in sections 2 & 4, while working sections 1 & 3 in knit. On all WS rows, knit until you reach a yo twice, knit into first yo, knit into front loop of second yo.

### **Border (Optional)**

For the border, you will add four mini-flower panels and BO 4 stitches in between each one, for each section. It will work like this: \*\*Work 17 stitches according to Mini-Flower Border, BO 4, repeat from \* 2 times more. Repeat from \*\* for each section remaining.

I worked each panel continuously, rather than having to cut the yarn after each panel was completed. Here's how to knit each border panel without cutting the yarn:

BO 17 stitches down left-hand side of mini-flower panel, by \*k2tog, sl rem st to LH needle, rep from \* to end. A good way to hide the BO is to BO in the next yo row, then BO in the next space, and repeat this down the side. 1 st remains.

Sl this stitch to LH needle, \*k2tog, sl rem st back to LH needle, rep from \* 4 times more. (4 stitches bound off with 1 st remaining.) Then begin Mini-Flower Border for next panel.

### **Mini-Flower Border**

R1: \*k2tog, yo, rep from \* 7 times more, k1 (17 sts)
